### Collection of personal information

When clients register with BelFX they acknowledge their willingness to share with the Company certain private information, which we use for the purpose of confirming the client’s identity and ensuring the security of their deposits and trading account. This information is collected in line with our stringent verification procedures, which are used to deter international money laundering operations and to ensure the security and safety of our customer’s trading activity throughout.

Our clients undertake to supply us with true, updated and accurate information about their identity. Furthermore, they are required to state categorically that they are registering and trading on their own behalf and are not seeking at any time to act in any manner, which could be considered fraudulent nor are they seeking to impersonate any other individuals for any purposes whatsoever.

BelFx Limited is an International business company with registration number 130,266 and is authorised and regulated by the International Financial Services Commission (IFSC) under License number IFSC/60/260/TS/17. BelFx Limited has its registered office being located at No. 5 Cork Street, 3rd Floor, Belize City, Belize. Trading Forex and CFDs involves significant risk and can result in the loss of your invested capital. You should not invest more than you can afford to lose. Before trading, you should ensure that you fully understand the risks involved as trading leveraged products may not be suitable for all investors. Prior to trading, please take into account your level of experience, your investment objectives and seek independent financial advice if necessary. It is the responsibility of the Client to ascertain whether he/ she is permitted to use the services of BelFx Limited based on the legal requirements in his/ her country of residence. BelFx Limited does not provide services to residents of the USA, Belize, Japan and Canada.

The Company data collection procedures include the collection of client's freely disclosed information as shared with the Company, in addition to the placement of cookies for the purposes of gathering data about the manner in which client's interact with the Company's website.

These tools for gathering client's information are employed for the purpose of ensuring the customer's own security and all data collected by the company is shared only with individuals within the company who are involved with the verification of customer account information for the express purpose of ensuring the customer's confidentiality and security. The client has the option to accept or decline cookies. Most web browsers automatically accept cookies but the client can modify his browser to decline cookies if he so prefers. As a result, this may prevent client to take full advantage of the website.

### **Sharing information to third parties**

We will never disclose any private or otherwise confidential information in regards to our clients and former clients to third parties without the express, written consent of our clients, except in such specific cases in which disclosure is required by law, or is otherwise necessary in order to perform verification analysis on the client's identity for the purposes of safeguarding their account and securing their personal information. We may also disclose the clients' personal information to third parties in order to fulfill the client's instructions or subject to the client's written consent. The confidential nature of the information shall be expressly notified to the third party.

### **Use of personal information**

By registering with BelFX and through the voluntary interaction by which clients undertake with the Company's products and services, the clients confirm and agree that they consent to the use of all or part of the information they supply concerning their Company's trading account, the transactions they undertake through it and the interactions, which they perform with the Company on behalf of the Company. All interactions the customer undertakes with the Company will be stored by the Company for the purposes of record and as such may be employed by the Company in such cases that disputes arise between clients and the Company.

From time to time the Company may contact clients whether by phone or email for market research purposes and for the purpose of offering them further information about the products and services that the Company has to offer, according to its terms and conditions. In addition, the Company may, on occasion, seek to contact clients, whether by phone or by email, for the purpose of informing them of unique promotional offerings provided by the Company to its clients. Clients consent to the receipt of such contact when they consent to the terms and conditions of use, when registering with the Company. .

### **Security of clients' personal information**

The Company does its utmost to ensure the confidentiality of its clients' personal information including the implementation of data protection procedures designed to ensure client confidentiality. The Company takes the necessary measures to protect any personal information of its clients from loss, theft, misuse, and to prevent unauthorized access or disclosure, alteration or destruction.
